Highlights of the Middle School Schedule:

- Provides academic continuity, focusing on skills and/or content required to move forward to the next level or course.
- Encourages students to think deeply and broadly while practicing their cross-cutting and discipline-specific skills.
- Engages students in creative thinking about the world around them and problem-solving.
- Students will complete daily Math, Hebrew, and Spanish (if applicable) work. Lessons will take 20-30 minutes.
- Students will have a reading requirement with a novel of their choice and complete a daily reading log.
- 8th grade students will continue to prepare for Model Congress.
